

REMARKS

This is in response to the Office Action dated January 17, 2008 stating that Applicants' response of December 12, 2007 was not fully responsive to the restriction/election of species requirement. More particularly, the Office indicates that the elected species was not set forth in terms of the appropriate chemical formula.

Such chemical formula of the elected species is as follows:

Applicants believe that the restriction/election of species requirement has been fully responded to. No fees are believed to be due in connection with this submission. Nonetheless, the Office is authorized to charge any necessary fees, or credit any overpayment, to Deposit Account No. 07-1392.

Respectfully submitted,

/Robert J. Smith/
